Executive Summary

As a commitment to transparency, accountability and reporting, the Virginia Alcoholic Beverage Control Authority's Bureau of Law Enforcement produces this quarterly report in accordance with Virginia Code 4.1-103 #30 and as part of its implementation of the recommendations of the Governor's Expert Panel, created by Governor McAuliffe in Executive Order 40. The report demonstrates our adoption of the panel's recommendations as well as ensuring citizen access to information.

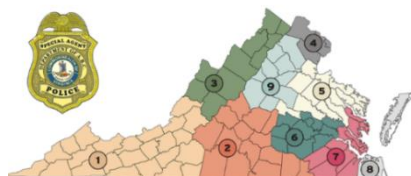

During the 2019 Virginia General Assembly session, legislation was enacted through the Virginia State Budget Item 4-5.04 m. "requiring no expenditures from general or non-general fund sources may be made by any state agency or authority for the purchase of implementation of body-worn camera systems". While the Governor's Expert Panel recommended the use of body-worn cameras by Virginia ABC special agents, the Authority halted the procurement and implementation process of body-worn cameras due to the current legal prohibition. If the prohibition is lifted, the Authority will assess at that time whether implementation of body worn cameras is practicable under existing policies and legal standards.

The Governor's Expert Panel gave clear directions on the content of this quarterly report. This report follows those basic guidelines. Listed below is a synopsis of the data reported in each of those areas:

1. **Criminal Violations** – There was 3 total charges placed this quarter with one (33%) charge related to alcohol violations. Last quarter there was 1 charge with no (0%) charges being alcohol related. Arrests are up 200% compared to last quarter. Regulatory Violations

A large portion of the work performed by Virginia ABC Special Agents involves the enforcement of rules and regulations applicable to ABC licensees. Violations can be dealt with by issuing a written warning or by presenting a violation case to the ABC Hearings Division. These violations can be punishable by fines, suspension or revocation of the ABC license.

Regulatory Charges Placed by Region

This table represents the total number of regulatory actions that were placed by enforcement personnel in the Fourth quarter of 2020. Violations were routed to the hearings division for later adjudication while warnings were noted in the licensee file.

Field Contacts

A field contact is when an agent engages a citizen and conducts a brief interview. When an arrest does not occur as a result of a field interview, agents report the stop in a “Field Contact” report. This report documents the reason for the stop as well as identifying information about the individual. Scrutiny of these types of encounters enables law enforcement executives as well as citizens to monitor police/citizen interactions to guard against biased-based policing practices.
